Executive Committee

It is my great pleasure and pride to present Assam Centre for Rural Development's (ACRD's) Annual Report for the year 2021-22. It was a challenging year for us as the world was dealing with the Covid-19 pandemic which continued to affect our lives. Yet, despite this, our organisation was working relentlessly for the underprivileged groups of the society to the maximum extent possible.

Nawajyoti Sharma

During this year, our CHILDLINE teams rescued several children from difficult circumstances like sexual abuse, child labour, child marriage, trafficking and so on. The rescued children were either restored with their families or provided a safe space in our shelter home *Navajeevan*, located in Barihat, Kamrup district.

The residents of *Navajeevan* continue to live fulfilling lives, attending schools, learning new things every day and preparing themselves to face the world.

Project *Nirmal*, an SBI venture in collaboration with ACRD starting from the year 2020, has also been running successfully so far in two villages of the Baksa district. Under the project, we constructed 42 community toilets for usage by the local communities and renovated 15 existing toilets. Our efforts have shown positive results in the lives of villagers who are regularly using these toilets and maintaining them from time to time with local contribution from the families using these toilets.

I am also glad to announce that we have completed two existing projects covering over 1,500 beneficiaries in Kamrup district. We now look forward to venturing into new, more impactful projects that would benefit the larger society in the coming years.

I am thankful to all our employees, partners, government departments, patrons and well-wishers who have helped us in our mission for a fair and just society for all.

OBJECTIVES

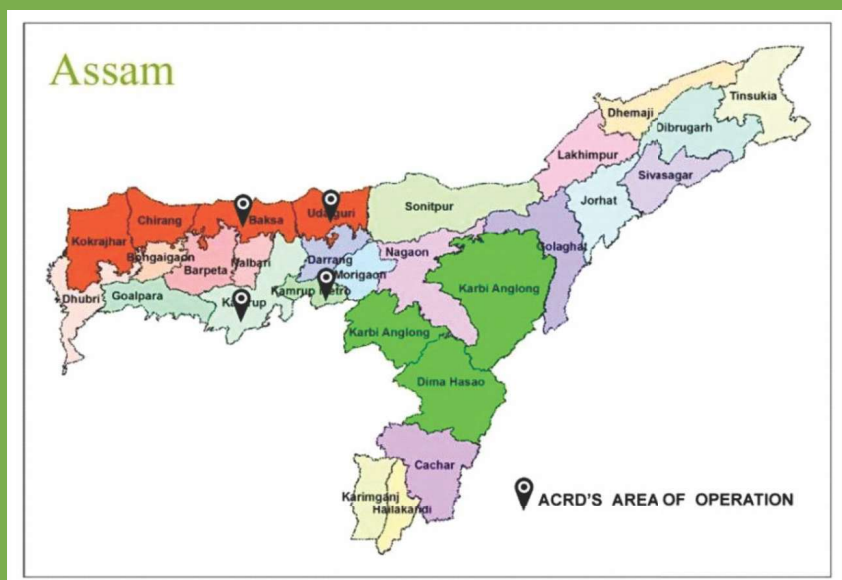

To implement poverty alleviation programmes and bring about better living conditions by generating employment and income for poor people living in rural areas.

To start, encourage, assist and carry on activities deemed necessary for sustainable self-employment of rural people like handloom, handicraft, animal husbandry, pisciculture, horticulture, plantation, etc.

To take up various programmes among the rural people on the issues of education, livelihood, rights for children and disabled, women empowerment, health, girl's trafficking, etc.

To conduct research studies on education, art and culture, cultural heritage, and customary rituals and system of the indigenous people of Assam as well as conduct research studies on the role and effectiveness of various programmes of government and non-government organisations for the development of the communities.

To conduct workshops, seminars and symposia in the above mentioned areas.

Background

Assam Centre for Rural Development (ACRD) is a non-government organisation established in 1995. Late Dr Lily Mazinder Baruah, a well-known social worker of the North Eastern region and the youngest daughter of Bharat Ratna Late Lokapriya Gopinath Bordoloi, was instrumental in the birth of ACRD. The formation of ACRD began with a group of like-minded people who wanted to bring about socio-economic development among the downtrodden rural and tribal people of Assam with the motive of enhancing their living conditions by forming a voluntary organisation.

ACRD has expanded greatly over the years. Today, we work in several areas like women empowerment, child protection, skill and rural development, etc. Our mission and efforts to empower the rural and disadvantaged people and give them a better life have grown stronger with time and we hope to continue transforming the lives of rural communities in Assam.

CHILD RIGHTS AND EDUCATION

CHILDLINE 1098

CHILDLINE 1098 is an emergency helpline in India that reaches out to every child in distress and ensures their rights are protected. ACRD has been operating two CHILDLINE sub-centres in Rani and Boko Development blocks of Kamrup district, Assam since 2016. The project is supported by the Ministry of Women and Child Development, Government of India with CHILDLINE India Foundation (CIF) as the nodal agency.

The CHILDLINE sub-centres regularly conduct awareness meetings in several villages, among school children and village communities, to sensitise them about the CHILDLINE 1098 helpline, the harmful consequences of child marriage, child labour, and other child protection issues like child sexual abuse, trafficking, school dropout, etc. Regular outreach programmes, community meetings and open house programmes are also conducted among the general public to address issues related to child safety. CHILDLINE works closely with government stakeholders like the Police, Juvenile Justice Boards, Child Welfare Committee, Child Protection Unit, etc. and other non-government agencies to create a child-friendly mechanism so that every child's rights are protected.

Major Highlights

Throughout the year, both Boko and Rani CHILDLINE teams conducted many awareness programmes in several areas like Chhaygaon, Bijoynagar, Mirza, Rani, Bagan, Gumi, Barjhar, Goroimari, Amtola, Barihar, Bongara, Jorsimalu, Barihat, Loharghat, Manikpur, Khamar Berigan, Jogi, Dovapara, Leberapara, Dwapara in Boko and Rani Block with children's groups, women's groups, youth clubs, student unions, village headmen, health workers, etc. and the general public to discuss about CHILDLINE 1098 and other child related issues specially child marriage, child labour, sexual abuse, trafficking, school dropout, etc.

WOMEN **EMPOWERMENT**

UJJAWALA

In the past few years, Assam has turned into a lucrative source and destination for the trafficking of women and girls. Trafficked victims are usually forced into bonded labour, sex trade, begging, etc. Assam has always been among the states with the highest trafficking rates in India. Realising the seriousness of the issue of trafficking and the urgent need for a safe space for those women and girls who have been victims of trafficking, abuse and violence in the past and are usually rejected by their families or society, ACRD had set up the “Navajeevan Rehabilitation Home for Women and Girls”. Navajeevan was established in 2009 under the Ministry of Women and Child Development’s Comprehensive Scheme for Prevention of Trafficking and Rescue, Rehabilitation and Re-integration of Victims of Trafficking and Commercial Sexual Exploitation (Ujjawala). Navajeevan is located in Sikarhati village, near Barihat in Kamrup district.

ACRD is working on two components of the Ujjawala scheme – prevention and rehabilitation of vulnerable and trafficked girls and women from various parts of Assam with a special focus on districts like Kamrup, Baksa and Udalguri. Apart from victims of human trafficking, Navajeevan also assists victims of sexual abuse, physical and mental harassment, child marriage, fraud, etc. The rehabilitated women and girls in Navajeevan are given regular counselling and enrolled into formal education, trained in art, craft, tailoring, handicraft and taught yoga, games, sports, self-defence, etc. to help them overcome their trauma, and equip them with the right skills to start a new and dignified life again.

Major Highlights

Exquisite handcrafted items such as earrings, masks, key rings, dream catchers, handkerchiefs, door hangers, etc made by the residents of Navajeevan were displayed for sale at the Spring Festival 21’ organised by Makers’ Hub (a women led initiative that gives platform to upcoming artists) from 9th April to 11th April 2021 at Srimanta Shankerdev Kalakshetra, Guwahati.

IMPACT STORIES

Light after the storm

16-year-old Deepa (name changed) is from Gulabari, Haribhanga in Boko. She was studying in class 10 when she dropped out from school. The reason was she met and fell in love with a man almost 5 years elder to her. They were together for two years during which they made multiple attempts at eloping but all of them were unsuccessful. Whenever they eloped, Deepa's parents would catch them and bring her home. Defying her parents, she didn't give up on eloping with Raj. When things started going out of control, Deepa's father filed an FIR at the Boko police station.

Boko CHILDLINE also got involved in this case and rescued her. Later, the CWC ordered her to be sent to Navajeevan on 29th December 2021 so that she is counselled and she continues going to school. She was given regularly counselling in Navajeevan. She was also engaged in numerous activities, including vocational training like beauty parlour, tailoring, knitting, art and craft, etc. She was home schooled by a tutor in Navajeevan during her stay. She made friends with the rest of the residents, and showed improvement in her behaviour. She also participated in an essay completion on National Girl Child Day and bagged the 3rd position for which was awarded with a merit certificate and a prize money.

With time, Deepa realised her mistake, and promised to continue school. She was eventually handed over to her parents a month and half later. She now studies in Class 10 and is also giving tuitions to younger children of her village. She is living a happy life with her family.

Giving flight to her dreams

14-year-old Arifa Khatun (name changed) has faced a lot of hardship since her childhood. Her parents separated when she was barely 10. After her parents' separation, her mother got married to another man. She was subjected to domestic violence and torture at home. She was forced to drop out of school and unable to bear the torture at the hands of her own mother and step-father, she fled from home. To make a living, she ended up working as a domestic help and later as a labourer in a stone quarry near Guwahati, where she led a miserable life.

Fortunately a couple of months later, she was found and rescued by the local police in Jorsimalu, Kamrup. The police called our NGOs CHILDLINE and informed about Arifa. She was rescued and produced before the Child Welfare Committee. The Child Welfare

Committee ordered her to be placed in Navajeevan for her care and protection. The year was 2019.

During the initial months, Arifa was a difficult child to handle. She showed a lot of psychological problems and seemed to be mentally disturbed. She had to be admitted to the Psychiatric ward in Guwahati Medical College Hospital briefly, but, over a period of time, with constant counselling sessions in Navajeevan, her mental status improved.

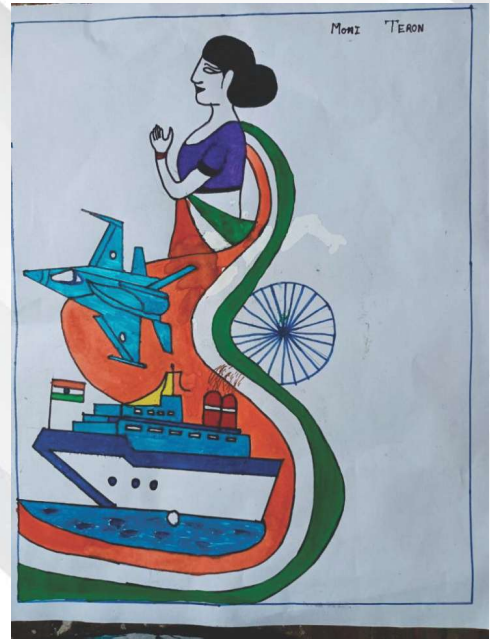

With proper counselling, nutrition, medical treatment, meditation, yoga and activities held in Navajeevan, Arifa today has completely recovered from her trauma. She has been enrolled in Class 6 in the nearby government primary school. She has a sharp memory, and is very good in maths. She likes to dance, sing and act.

We tried to reunite her with her family many times, but, they have refused to take her back. She is now a permanent resident of Navajeevan. She has shown a lot of progress and is a happy and mature girl for her age. She dreams of becoming a police officer some day.

SKILL AND RURAL DEVELOPMENT

Vocational Training and Skill Development Grant Assistance for Grassroots Project (GGP)

ACRD has set up a vocational skill development and training centre at Barpatima village of Rani Block in Kamrup district with financial assistance from the Embassy of Japan to provide specific skill development trainings to school dropout girls/women. The primary aim is to empower women financially through self-employment. The training centre was formally inaugurated in April, 2017. The centre offers training courses in tailoring, computer, weaving and spoken English for six months. After the end of the training period, the girls/women are linked to financial and marketing agencies to assist them to sell their products.

Stories of change

- Karma Ekka, 28, works as a daily wage labourer and barely meets his day-to-day expenses to run his family. He somehow managed to buy two piglets but did not have the adequate facility to keep them in good condition. He was provided with a pig shed under the local livelihood component of the SBI Gram Seva programme. This assistance has been life-changing for Karma. He hopes to rear more pigs in future which will help him bring more income to his BPL household.

- Ambika Medhi, 29, is a homemaker from Ahopa village in Baksa district. She had enrolled for the three-month skill development training on tailoring under the SBI Gram Seva programme, completed the training in 2019 and later received a certificate. Her husband is a daily wage labourer and the family struggles to make ends meet. Now that Ambika is proficient in stitching clothes, she has started her tailoring unit at her home and earns Rs. 3500 per month. This money helps her to support her husband in running the household. She hopes to earn more money in the near future by stitching clothes.

HEALTH AND SANITATION

Project Nirmal (in partnership with SBI Foundation)

Project Nirmal is a sanitation project, a CSR initiative of the State Bank of India Foundation, SBI Card and SBI Green Fund. The CSR project was launched in November 2020 in partnership with Assam Centre for Rural Development (ACRD) in two villages of Assam's Baksa district, namely Doomni and Dekadong to ensure access to better sanitation facilities for the tea garden communities. The project aims to address sanitation issues faced by these communities in these villages by 2023.

Major highlight from the year

- Under project Nirmal, 42 community toilets have been constructed and 15 existing toilets have been renovated for use by the communities in the two villages to improve their sanitation, health and nutrition status.
- On 5th December 2021, a community toilet was formally inaugurated by Shri Ghanshyam Das, Executive Member, Agriculture Department, BTR; in Dekadong village, Baksa. ACRD's Executive Committee members, State Bank of India officials, and over 120 community members were present during the inaugural programme.

Impact stories

Santi Ekka, 32, is from Dekadong Line No 5. The family of three has been using the newly constructed community toilet for the past eight months. The toilet is used by almost 15-20 households in the vicinity and is also maintained by these families through a monthly fee collected and deposited every month to the Village Health Sanitation Committee of Dekadong. Santi and her husband work in the nearby Doomni Tea Garden as tea garden labourers. She has a young daughter. "The toilet has helped our family and the rest of the people nearby in our area. We use this toilet daily. I am grateful to SBI Foundation for their support," said Santi.

Romanus Tirkey, 24, and his friends from Dekadong Line No. 4 have been using the newly constructed community toilet for the past six months. The toilet is used by almost 12 households in the vicinity and is also maintained by these families through a monthly fee collected and deposited every month to the Village Health Sanitation Committee of Dekadong. Romanus told us that the toilet has benefited the families who are mostly labourers in the nearby Doomni Tea Garden. "The toilet has helped our community members greatly, especially our mothers and sisters. People now no longer defecate in the open. We are deeply grateful to SBI Foundation for their support," said Romanus and his friends.

Our breakthrough moments!

- Two young residents Navajeevan, Karabi Nath and Pooja Gaur, passed their Class 10 and Class 12 examinations with flying colours!
- A 15-year-old-boy from Palashbari Angarakata village under Kumarikata Outpost in Baksa district, who had gone missing from his home, was reunited with his family with the help of the CHILDLINE Rani unit of ACRD. The boy was found by the Railway CHILDLINE Howrah and produced him before the Child Welfare Committee (CWC) who subsequently placed him in a Child Care Institution (CCI) for safe custody till his actual address was traced. Despite repeated attempts by the CCI, the boy's family could not be traced. However, the CHILDLINE unit of ACRD traced the boy's family with the help of Baksa police and later handed him over to his family.

- On 18th November 2021, ACRD with the help of 24th Battalion SSB Rangia, rescued a girl who was raped by her father in Bhogpara village, Baksa district. The girl was produced before the Child Welfare Committee and her statement was recorded. She was later sent to a children's home for care and protection. We wrote to the Deputy Commissioner of Baksa to look into the matter and ensure the culprit is arrested immediately and jailed as per the provisions of the POCSO Act.

- In a major success for ACRD, two traffickers who had lured five people from a remote village namely Dihira in Baksa were arrested by the Baksa Police immediately after an FIR was lodged with our NGO's help on 24th November, 2021 in Mushalpur Police Station. The matter was brought to light by the local people and we immediately approached the police for necessary action.

- On 5th December 2021, Prerna Changkakati, Executive Director of ACRD was invited to be a part of a panel discussion on the best practices in combating human trafficking at a National Level Conference on Child Rights with a special focus on child trafficking and substance abuse held by the Assam State Commission for Protection of Child Rights (ASCPCR) at Assam Administrative College, Khanapara, Guwahati. Ajanta Neog, Finance and Social Welfare Minister, Govt of Assam, was the chief guest on the occasion. There were other distinguished guests including Dr PM Nair, IPS (Rtd), a pioneer in human trafficking work in India, dignitaries from various departments in Assam and members of the different State Child Rights Commission of India.

- On 29th December 2021, Prerna Changkakati, Executive Director of ACRD was invited as the resource person to speak on human trafficking at a programme organised by the Sahastra Seema Bal (SSB) 64th Battalion Border Outpost in Darrangamela (a hotspot area of human trafficking) in Baksa district. Rupjyoti Kalita, SDPO Tamulpur subdivision, was also present to address the troops present during the programme.

- A blanket distribution programme was organised by ACRD in collaboration with Bombay Sarvodaya Friendship Centre and Helping Hands Charitable Trust on 22nd January, 2022 in Barihat. More than 60 poor families (widows, elderly, etc) received two blankets each.

- On 24th January 2022, on the occasion of National Girl Child Day, a district level competition was held among the children living in the CCI's of Kamrup organised by the District Child Protection Unit (DCPU), Kamrup. Two residents of Navajeevan won prizes in the category of drawing and essay writing. The winners received certificates and prize money. Navajeevan was also declared as the runner-up in the category of 'best performing CCI'!

- An assessment camp for assistive devices for Persons with Disabilities (PwDs) covering three Gram Panchayats - Rampur, Chayani Borduar and Majkuchi under Kamrup district in collaboration with the National Career Service Centre for Differently Abled (NCSC-DA) and Artificial Limbs Manufacturing Corporation of India (ALIMCO) was organised by ACRD on 23rd February, 2022 at Tridhara Anchalik Kala Sanhga, Barihat, Kamrup district. More than 120 differently-abled persons were assessed during the camp for receiving aids and appliances.

- A two-day training and capacity building workshop for ICDS workers on early detection and rehabilitation of PwDs and the educational needs of children with disabilities for primary school teachers was organised in Mushalpur, Baksa from 25th-26th March 2021. The workshops were organised by ACRD with the support of the National Institute for the Empowerment of Persons with Multiple Disabilities (NIEPMD), Department of Empowerment of Persons with Disabilities, Ministry of Social Justice and Empowerment, Govt of India. The programme was inaugurated by Banti Talukdar, Additional Deputy Commissioner, Baksa on 25th March, 2022 at the District Centre, Mushalpur.

- A day-long district level sports meet was organised by ACRD on 29th March, 2022 with the support of the National Institute for Empowerment of Persons with Disabilities (NIEPMD), Chennai. Various competitions were held among different age categories of the Persons with Disabilities (PwDs). Participation certificates and medals were given along with trophies to winners.

Human trafficking rampant in Baksa; 5 people trafficked

BAKSA, Nov 24: In a recent case of human trafficking reported from Baksa district, five people, including two minors from Dihira village under Nishkashi outpost, were trafficked after being lured with the promise of a job.

They were trafficked by one Madhu Maji and his wife Lakhi Maji in 2019 and taken to Tamil Nadu to work in a factory. "We were told we will get ₹10,000 per month. They took us to West Bengal and then to New Delhi. From there they took us to Tamil Nadu, where we used to work for 12 hours or more sometimes. We were not given proper food and were sometimes beaten if we refused

to go to work. The factory owners used to ill-treat us and we were not paid a single penny. We somehow managed to escape and return to our village with the help of the police there," said one victim on condition of anonymity.

The incident was brought to light by Assam Centre for Rural Development, an NGO working on human trafficking, child rights in Assam. A case was subsequently registered in Mushalpur Police Station. "Human trafficking is rampant in Baksa. We get cases almost every month, but most cases go unreported due to lack of proper information furnished by the victims. The victims are

mostly from poor families and have no idea they have been trafficked, until they stop getting money to send back to their families. The trafficker in this case is known to the victims. He has been taking many people outside the village with the promise of good jobs and a better life. It is important to arrest such persons to set an example because people are ignorant. It is an issue that needs to be addressed with utmost priority, especially since the COVID-19 pandemic has severely affected the livelihoods of people," said Prema Changkakati, Executive Director, Assam Centre for Rural Development, stated a press release.

Two minor girls rescued

A CORRESPONDENT

RANGIA, Nov 18: On the basis of intelligence input, a joint anti-human trafficking operation was carried out on Thursday by 24th Bn SSB Rangia and ACRD, a Guwahati-based NGO under the command of Navneet Kumar Yadav, Assistant Commandant. The team rescued two minor girls from Bhogpur village under Goreswar Police Station.

On spot interrogation revealed that the minor girls were victims of domestic violence and one of them was allegedly raped by her own father of a nearby village under Goreswar Police Station, district Baksa. The accused has been absconding and an FIR has already been lodged against him at Goreswar Police Station. Later, both minor girls were handed over to Child Welfare Committee (CWC) Mushalpur for their care and rehabilitation.

Hrishikesh Sharma, Commandant, 24th Bn SSB Rangia, said that this joint operation was a major breakthrough in countering human trafficking on Indo-Bhutan border and will act as a strong deterrence for human traffickers in future. He said that unit had done several noticeable anti human-trafficking operations in the past and rescued more than 50 poor boys and girls from the clutches of traffickers during the year.

SBI launches sanitation project 'Nirmal' in Dekadong Village

A CORRESPONDENT

BAKSA, Dec 5: Sanitation project 'Nirmal' -- a CSR initiative of the State Bank of India Foundation, SBI Card and SBI Green Fund, was inaugurated by Ghanashyam Das, Executive Member, Agriculture, BTR, in a programme held in Dekadong Village, near Doomni Tea Garden. Under the project, 57 newly constructed and renovated community toilets will be constructed. The CSR project was launched in 2020 in partnership with Assam Centre for Rural Development (ACRD), a Guwahati-based NGO (Non-Government Organisation) to ensure access to better sanitation facilities for the tea garden communities living in Doomni Tea Estate in the Baksa district.

Officials from the State Bank of India, senior members from the NGO, community leaders, etc were present during the inaugural programme. "I am happy to learn of this initiative. It focuses on

safe hygiene practices which is such an important issue especially in our rural areas," said Ghanashyam Das, Executive Member, Agriculture, BTR (Bodoland Territorial Region).

"Improving access to sanitation is critical to reducing the impact of various diseases. It is also crucial for the creation of an enabling environment that enhances the safety and dignity of rural communities. Through this project, we hope to empower the people living in the tea garden areas of Doomni," said Nawajyoti Sharma, the President of the Assam Centre for Rural Development. "Sanitation is important for the well-being of people, and it is the endeavour of State Bank of India Foundation through its various programmes to improve access to health, hygiene, female literacy, education, etc. We hope through this initiative of ours many people in this region will benefit," said Pranjali Das, Lead District Manager, State Bank of India, Baksa.

SSB rescues 2 minor girls

CORRESPONDENT

RANGIYA, Nov 19: On the basis of intelligence inputs, in a joint anti-human trafficking operation conducted by 24th Bn SSB of Rangiya along with an NGO named ACRD of Guwahati under the leadership of Navneet Kumar Yadav, assistant commandant of SSB, two minor girls were rescued from Bhogpur village under Goreswar Police Station on Thursday.

As per reports available, the minor girls were victims of domestic violence and one of them was raped by her own father Md. Makut Ali of the same village, who is reportedly absconding even as an FIR was lodged against him at Goreswar Police Station.

Later, both the minor girls were handed over to Child Welfare Committee (CWC) of Mushalpur for their necessary care and rehabilitation by the SSB. Stated in a release by SSB here this evening.
